

Make the Internet Work for You

edinarealty.com

Whether you're buying or selling, Edina Realty's Web site is the one-stop shop for all your real estate needs. On average, the site has more than

one million visits each month that log on to conduct customized home searches, calculate mortgage payments, apply for loans, search for home improvement providers and find an agent – all in one convenient location.

Edina Realty properties, and virtually every listing in our markets, are featured in the site's Property Finder section.

In addition, you can save your property

searches, register for e-mail notifications of new listings and request a showing all online. Every Edina Realty REALTOR® also has their own personal Web site where you can find their listings, open houses and much, much more. We offer effective and user friendly tools to assist you in your home search and beyond, but remember – our helpful Edina Realty agent experts are only a click away.
